

Dear Parents and Guardians,

Your child has shown interest in attending Builder's Club. Builder's Club is the middle school version of Kiwanis Club. It is a service organization geared at teaching students how to volunteer in the community. During meetings, students will be working on different service activities including; school beautification, canned food drive, and caroling at the retirement center.

Students of the club will either be working at the school, or going on short walks to the retirement center etc, for different volunteer communities. This club will meet every other Wednesday after school. The meeting will end at 3:30. (Meetings will not meet on days that there is no school) Students must either be able to walk home or be picked up by 3:45. The students may also ride the activity bus.

I give permission for my child to attend Builder's Club. \_\_\_\_\_
