

Gamers Guild

Gamers' Guild is a club for sixth, seventh, and eighth graders who love to play strategy games. Originally started as chess club, Gamers' Guild has expanded to include other school appropriate strategy games. The students can play games that we have here at school as well as card games like Yu-Gi-Oh and Magic. With the card games, the students must provide their own cards and absolutely no card trading is permitted. This year we are excited to include cribbage as a challenging game for the students and we are looking forward to some tournaments, as well. If your son or daughter has a game they wish to introduce, it must be approved before they can play it.

Gamers' Guild meets in the Media Center from 2:30 - 3:45 PM every Friday in which there is a full day school. All students must have transportation arranged before signing into each Gamers' Guild session. If parents are picking up their children, please arrange for their pick up to be promptly at 3:50 pm or the students will ride the activity bus at 4:00.

If you have any questions, please contact Ms. Merritt or Mrs. Omerod. The school phone number is 815-754-2241.

Meeting Times:

Friday from 2:30- 3:45 in Room 148.

Sponsors:

Ms. Sue Merritt, Mrs. Omerod

My son/daughter _____ has permission to attend Gamers' Guild on Fridays when there is a full day of school. I will make sure to pick up my child from Gamers' Guild promptly at the 3:45 pm release. If I am not picking up my child, he/she will have their ID on them so they may ride the activity bus home.
