

Permission Form to Participate in Student Council, 2011-2012

Meeting dates: Student council will be held on the 1st and 3rd Fridays of each month from 2:45 to 3:45 in room 133 (we may move into the commons if certain projects require more space). There may be additional meetings held to prepare or host events, such as mixers. This will be discussed during meetings, as ideas come up.

Transportation: Students should make arrangements for transportation prior to meetings. Students will be dismissed in time to make the activity bus, which departs at 4 PM.

Expectations: Student council is powered by student involvement; therefore, attendance and commitment are very important. Only excused absences from student council are allowed. If you must miss, see Miss Liska or Mrs. Lehuta. If you are out for a sport or another club, see us to arrange a regular schedule of attendance.

Student council should never interfere with classes or coursework, but it is still expected that students keep up with homework. If there are concerns, please contact Miss Liska (Allison.Liska@dist428.org) or Mrs. Lehuta (Kathryn.Lehuta@dist428.org).

Within the student council, students are expected to uphold the SAM principles and follow all HMS building rules.

Please return by our second meeting, Friday, October 21st, 2011
