

7th Grade Springfield Trip Informational Meeting Tuesday, October 25TH @ 6:15 PM

Dear Parents/Guardians,

The seventh grade Social Studies curriculum includes an intense study of the United States and Illinois Constitutions. To enhance our study, we would like to offer an optional field trip to Springfield, Illinois. Students will have the opportunity to visit many historical sites, exhibits and our government at work.

The trip is planned for Friday May 4, 2012.

To ensure that all students have the best possible experience in Springfield, students who receive an out of school suspension for any reason after April 1st will not be able to attend the trip. Students who do not attend the field trip for any reason will attend school and have alternative Springfield related activities.

To go further with our plans, we need to know how many students would be interested in attending the trip. If you are interested, please sign the permission slip and return it with reservation form and deposit to Mr. Petras by November 18, 2011. The tour company will not allow any deposits to be taken after this date. The full cost of the trip must be paid in full no later than Friday, February 3, 2012. No refunds will be given after March 01, 2012. Full busses are needed to schedule these trips.
