

# Students To..., Inc.

## Huntley Middle School

1-Day Springfield Tour

**May 4, 2012 (Fri.)**

**\$89.00 /person**

4-Bus Itinerary

The 3 motor coaches will each follow their own pre-arranged schedule which has been assigned by the **Springfield Convention & Visitors Bureau**. There will be a **Students to...Inc. Tour Director** on each coach to guide you with your individual schedule. All chaperones/teachers will be in charge of **groups of 10 students** assigned by the **Huntley Middle** staff. This ratio is a Springfield requirement and must be enforced. It will be the responsibility of each chaperone to account for the students in their particular group & arrive with this group promptly per your TD's instructions. Additional adults over the required chaperone ratio will pay **\$99.00 each**. This fee covers their Abe Museum entrance. Each participant is asked to bring along a sack lunch for a picnic in Springfield upon arrival. We recommend each participant also bring a **bottle of water or soda (screw caps only) & snacks for the bus ride**. The Tour Directors will present Abe Lincoln historical information on the ride to Springfield to prepare the students for their Lincoln experience. The coaches are washroom equipped. Dinner is included & will be at **Ryan's Steakhouse Buffet**.

We at Students To... have a philosophy which we call the 3-D's. **The DRIVER DRIVES, the TEACHER DISCIPLINES, and the TOUR DIRECTOR DIRECTS**. Our Tour Directors will be giving instructions to make sure everyone gets to and from each assigned site promptly. They will share their knowledge of each site during the day. The TD's will make sure the tour runs smoothly by working closely with the bus driver, the teachers, chaperones and students to assure you have a great trip!

**Let's all have a safe-fun-educational day in Springfield!**
