

From our web page...

Check Homework Hotline to see what was assigned that day for homework, *helpful hint*: ask to see it if you are told it is done.

The HMS Newsletter is a great source of information on upcoming events at Huntley Middle School.

Daily announcements let you know what activities are planned after school and what may be cancelled. You can find out about sports tryouts or clubs and activities here too. These same announcements are read to the students during the day.

To view Huntley happenings including Homework Hotline, the newsletter, daily announcements, menus and sport information

Need directions to an away sporting event? You can find those here also. All the schools we schedule with are listed.

You can check here any time to find out what's for lunch or breakfast too!

Use Family Access *to open up communication with your child about his homework. If you see a grade you weren't expecting click on it ask your student the reason for the grade, or praise them for a job well done on a project you knew they worked hard on.

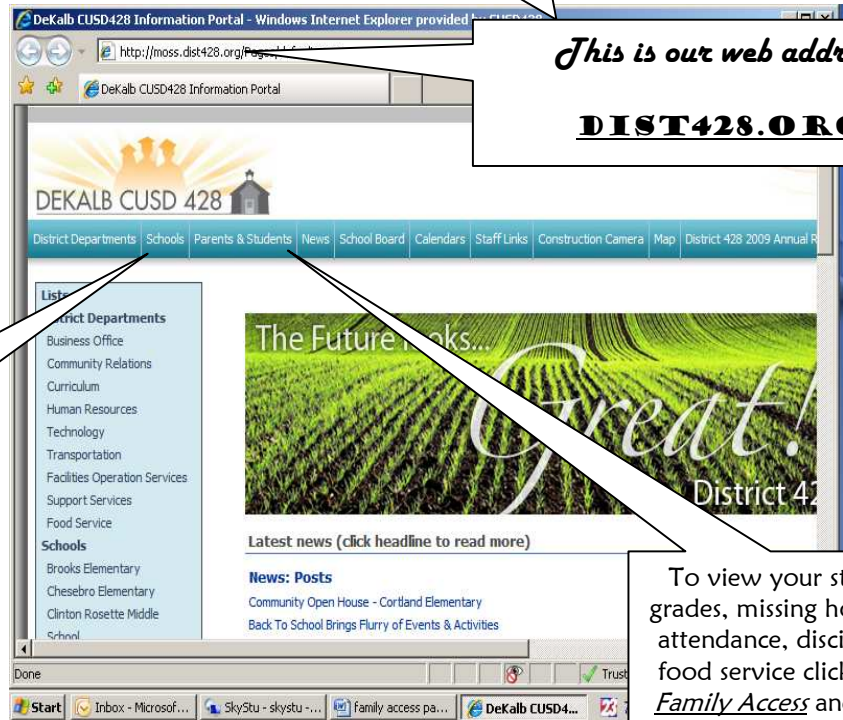

NEW for 2009-2010

Midterm grades will now only be available on Family Access. If you want to check the grade check it on Family Access!

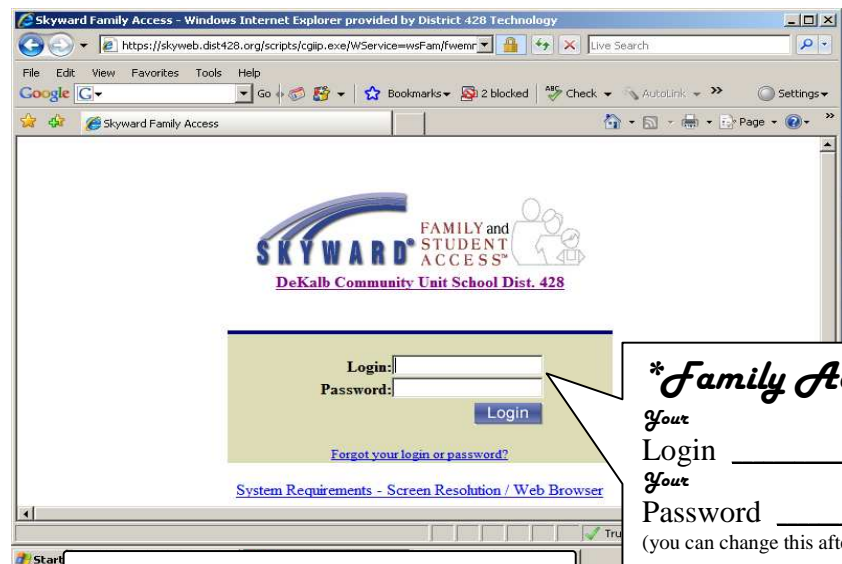

You may also call the Homework Hotline at **754-2347** to hear a recorded message of the day's homework from your student's team

This is our web address

DIST428.ORG

To view your student's grades, missing homework attendance, discipline, or food service click here to Family Access and use the Login and Password below

***Family Access**

Your Login _____

Your Password _____

(you can change this after login)

Call the school with any questions **754-2241**

Skyward Family Access - Windows Internet Explorer provided by District 428 Technology

Calendar will give you a quick overview of grades, completed homework (in black) and missing homework (in red). Hold the cursor over the entry to see information or click on the entry to see more information. You can also check school days off here.

Gradebook is where to look for your student's grade status. The current quarter grade is based on assignments and turned in work. The current quarter grade will change as homework is turned in and as updates are made by the teacher. Clicking on the blue underlined grade will allow you to view the assignments that are included in that grade and the missing assignments too.

Check **Attendance** for you student here. By the month or by the day.

Schedule will let you see your student's current schedule, what time of day the class is or what time they have lunch. You can also e-mail your student's teacher from here. Click on the blue underlined name and you will have direct access e-mail to the teacher you would like to communicate with. This is a great way to communicate directly with your student's teacher.

Discipline can be viewed here, you may also check on the date of a scheduled discipline.

Can't remember how much is on your family lunch account and its 10:00 at night... log on and check it on Family Access under **Food Service**. You can also view what your child has bought for lunch or make a payment to your account when it is convenient for you.

Do you want to have **Attendance, Grades, Discipline** or **Food Service Information** for your student automatically e-mailed to you? Sign up for that here. Make sure you update your e-mail address, to the address you want to receive the information. You can choose to receive information once a week or once a month.

*Call Huntley Middle School's main office at 754-2241 with any questions
Log on, to open a door of communication
with your student and their school.*
