

To check your student's grades almost any time you want log on to

Family Access

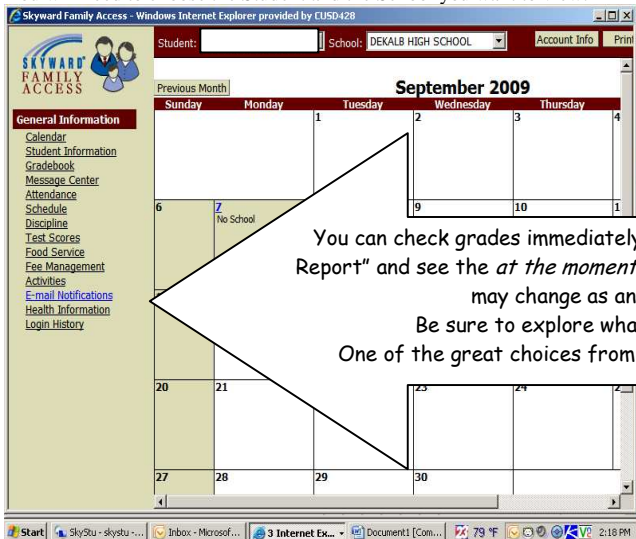

From our web page dist428.org cursor over Parents and Students to find **FAMILY ACCESS**, left click.

Call the office -815-754-2241- to get your "Login" and "Password" and enter it here.

You will need to choose the Student and the School you want to view.

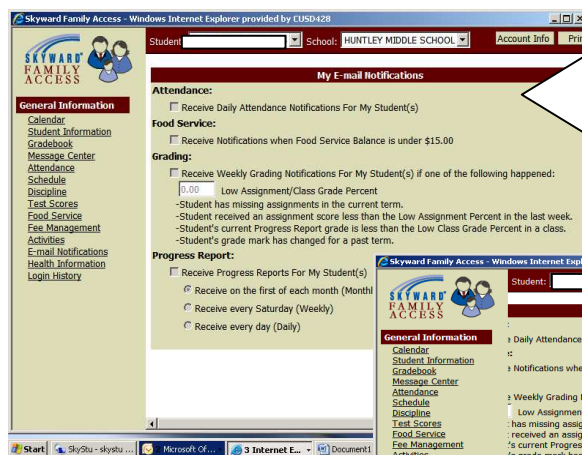

You can check grades immediately by clicking on "Gradebook", "Calculate the Progress Report" and see the *at the moment* grade. This may include all assignments, or the grade may change as an assignment is turned in and graded.
Be sure to explore what else "Family Access" can share with you!
One of the great choices from this screen is "E-Mail Notifications" Left click it.

After login you may be prompted to add your e-mail address to the district list. Add the address you are most likely to view information from.

Scroll to the right of the screen and left click on "Change my Notifications" be sure to "Save" your choice. You will receive automatic emails notifying you of your student's grades, food service account or attendance.

DISTRICT 428

is committed to finding ways to best communicate with our parents and our students. Please call your school's office if you have any questions about Family Access.
